Humanity Design

- 1 Pre filtration of purified water
- 2 Seat temperature overheat protection
- 3 Leakage protection
- 4 Water shortage alarm
- 5 Wind temperature overheat protection
- 6 Water temperature overheating protection

Six safety protections

LED night light soft lighting
To provide better care for family members, going to the bathroom at night is more reassuring.

Seat heating
Ergonomic seat, four temperature adjustment, no fear of seasonal changes bid farewell to piercing cold moments

Instant hot water outlet
In response to the diverse plot needs of a family, humanized multi-dimensional cleaning and curved spray bars are adopted, providing a thoughtful and comfortable feeling.

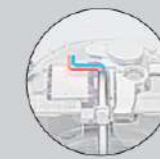

Automatic flip, free and at will
It turns out that comfort has never been so simple. The entire process is responsive, and the human body approaches the automatic flip cover, then leaves the toilet and the automatic flush box cover.

UV sterilization tips
Closing: Automatic sterilization for 90 seconds
Flip cover: Automatic stop of spray rod recovery

4-speed warm air drying
Warm air drying, comfortable like a spring breeze. After washing with warm water, warm air blowing is comfortable and caring

Constant temperature system
Continuous and stable injection of fresh water, wash and heat without waiting

Independent waterway design
The flushing and cleaning waterways are designed independently to avoid intersections and provide better hygiene

K11-Z1401

Smart toilet
 Size:695X490X540mm

TECHNOLOGY DEVELOPMENT

TORNADO FLUSHING SYSTEM

The flow of water in the ceramic pan allows for a unique rapid motion of flushing that allows for a more comprehensive cleansing using only 3.5L of water.

EASY CLEAN GLAZE

Smooth ceramic surface makes it easier for cleaning and it has a better resistance towards bacteria.

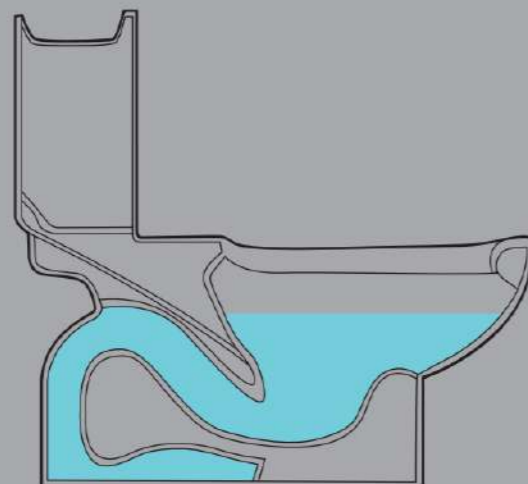

RIM FREE PAN DESIGN

The latest Rim Free designs is a unique feature that allows easier cleaning as there is no hidden area for germs and water thus leads for a more hygienic clean.

SOFT-CLOSING TECHNOLOGY

This unique fixture of soft-closing Technology close in smooth fashion and makes low noise when closing toilet seats.
